a makeover

Let there be light

Give flat roofs a makeover with Skypod – the ideal way to brighten up uninspiring interiors

Go square

NEW! Skypod^{SO} allows you to make a real statement with its symmetrical architectural stylings

Flood your home with **natural light**

Imagine creating a stylish new living space that's flooded with natural light. Imagine an inspiring contemporary design feature that will not only enhance your lifestyle but add value to your home too. Some would call it the 'wow' factor. We call it Skypod – an innovative pitched skylight range that's been created for today's style-conscious homeowner.

The background image shows a bright, modern interior space. A large, multi-paned glass skylight is set into a light-colored, possibly plastered, ceiling. Several square recessed ceiling lights are visible, some of which are illuminated. The walls are a warm, neutral tone. In the foreground, a white-framed glass door or window is partially visible, looking out onto a lush green garden with trees and bushes under a clear blue sky. A semi-transparent teal circle is overlaid on the left side of the image, containing the text.

Living
spaces with
WOW
factor

In the past, most skylights have been made from aluminium. These are not only expensive, but the 'industrial' design isn't to everyone's taste. That's why we created Skypod. As well as offering outstanding looks, it costs less – and provides the perfect match for your existing PVC-U windows and doors.

Aspirational living spaces

Go large to create an impressive feature on your flat roof – maximising the natural light in your room

An aerial photograph of a modern, white, rectangular building with a flat roof. The building features several windows with dark frames, including a row of five windows along the top edge and a larger window on the side. A large, multi-paned skylight is installed on the roof. The building is surrounded by greenery, including a large bush on the left and a flower bed with red flowers in the foreground. A teal circular graphic is overlaid on the bottom left corner, containing the text "A perfect square".
